

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

5. *Performance Measures:* For the purposes of the Government Performance and Results Act of 1993 and for Department reporting under 34 CFR 75.110, we have established four performance measures for the NHE program: (1) The number of grantees that attain or exceed the targets for the outcome indicators for their projects that have been approved by the Secretary; (2) the percentage of Native Hawaiian children participating in early education programs who consistently demonstrate school readiness in literacy as measured by the Hawaii School Readiness Assessment (HSRA); (3) the percentage of students in schools served by the program who graduate from high school with a regular high school diploma (as defined in this notice) in four years; and (4) the percentage of students participating in a Native Hawaiian language (as defined in this notice) program that is conducted under the NHE program who meet or exceed proficiency standards in reading on a test of the Native Hawaiian language.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities

receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

**SUPPLEMENTARY INFORMATION:** The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance

the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Required Proprietary Institution Certification Form.

*OMB Control Number:* 1840–0855.

*Type of Review:* Extension.

*Respondents/Affected Public:* Private Sector.

*Total Estimated Number of Annual Responses:* 1,757.

*Total Estimated Number of Annual Burden Hours:* 879.

*Abstract:* The American Rescue Plan Act of 2021 provides funding for proprietary institutions of higher education, to be used solely to make financial aid grants directly to students, which may be used for any component of the student's cost of attendance or for emergency costs that arise due to the coronavirus, such as tuition, food, housing, health care (including mental health care) or child care. This collection includes required certifications that must be completed by proprietary institutions seeking funding under this statute.

*Additional Information:* The Department received emergency clearance for this information collection in order to issue awards in a timely manner. Due to the heightened risk associated with proprietary institutions, the Department determined it necessary to obtain additional certifications prior to making further awards under the (a)(4) funding stream. Without approval of the Required Proprietary Institution Certifications form, the Department would have been forced to delay making ARP (a)(4) awards to these institutions. Delay of ARP (a)(4) awards would be particularly problematic, as Congress has designated these funds as being solely directed to emergency financial aid grants to students at these institutions.

Dated: May 25, 2021.

*Type of Review:* Extension.

*Respondents/Affected Public:* Private Sector.

*Total Estimated Number of Annual Responses:* 125.

*Total Estimated Number of Annual Burden Hours:* 63.

*Abstract:* Funding for the Higher Education Emergency Relief Fund (HEERF) is provided by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) (Pub. L. 116–136), the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) (Pub. L. 116–260) and the American Rescue Plan Act of 2021 (Pub. L. 117–2). Institutions eligible for funding under these statutes may elect to voluntarily decline all or a portion of their HEERF grant awards, in which case the U.S. Department of Education (the Department) will then de-obligate the funds from the institution's G5 account and will later redistribute the funds to other institutions with greater needs due to the coronavirus. In order to process the de-obligation and redistribution of these funds more efficiently, the Department is requesting approval of a short form that will allow these institutions to provide the Department with information regarding the funds being declined.
